

Campus Connections Syllabus

Overview

For Previously Trained Campus Administrators

- This course is designed to guide campus administrators in the successful implementation of the NEDRP tools to build and sustain relationships across the campus.

Week 1&3 Mandatory Curriculum

- Live content and curriculum on Thursdays from 6-8pm CST (will be recorded and must be attended or watched prior to the next week's collaborative coaching)

Week 2&4 Collaborative Coaching

- Opportunity to meet with a NEDRP team member to discuss the previous week's content and any coaching needs. (you will commit to a cohort on Tuesday or Thursday evenings from 6-8pm CST, or Saturday's from 9am-11am CST)

Outcomes

- By the end of this course, educators will be able to:
 - Recognize the needs for RP in the classroom
 - Develop connection skills in a post-pandemic environment
 - Demonstrate and model ways to virtually connect with students
 - Demonstrate the ability to properly facilitate NEDRP's connection tools
 - Develop leadership skills in a post-pandemic environment
 - Evaluate effective implementation on campus
 - Build capacity within your campus to create and sustain relationships across all levels
